Description

Combining all-round protection, durability, fit, function, and style, **PHX Helios** pants provide all the essentials for beginners and professionals alike.

- Active riding position design for improved ergonomic fit and performance.
- Flexible all-way stretch panels at knees, yoke, and crotch, provide unrestricted movement and increased ventilation.
- Heat and abrasion resistant double-layer knee system, with full-grain leather panels, enhances durability and protection.
- Highly adjustable waist belt with ratcheting closure for an optimal fit.
- Rugged 600D polyester body with fade resistant color sublimation process for a durable, long-lasting aesthetic.
